

**EVERGREEN MIDWEST HAS THE UNIQUE, COST-SAVING  
ADVANTAGE OF OFFERING A COMPLETE AND  
COMPREHENSIVE RANGE OF BALLOON FILLERS AND  
ACCESSORIES. WE'VE GOT IT ALL!**

**VALUE ADDED**

- ✓ **We guarantee no leaking for 1 full year from purchase.**
- ✓ **Brass construction extends life, reduces potential issues.**
- ✓ **All fillers 100% leak tested @ our Cleveland, Ohio facility.**
- ✓ **Fillers can be customized for faster filling.**

<b>E99</b>	<b>Economy in-line handtight filler</b>
<b>E102</b>	<b>Standard latex balloon filler</b>
<b>E102G</b>	<b>Latex filler + contents gauge</b>
<b>E102HT</b>	<b>Latex filler + handwheel-type connection</b>
<b>E102HTG</b>	<b>Latex filler + handwheel-type connection + contents gauge</b>

**All models are available with contents gauge, disc tie post, handwheel-type connection, economy hand wheel, or ribbon/string cutter. All mylar balloon fillers stop filling automatically when mylar balloon is full.**

**E103HTG**      **Economy mylar balloon inflater. Auto shutoff when mylar balloon is full saves costs that result from over-inflation. Includes hand-tight connection and cylinder contents gauge.**

**E2000HTG**      **Saves 40% helium cost. Mixes 60% helium and 40% air. Perfect cost-saving solution for events. Includes hand-tight connection and cylinder contents gauge.**

**E2802HTG-DV**      **Ergonomic design allows for single hand mylar/latex balloon inflation. Push design for mylar inflation is preferred by industry professionals. Auto shutoff when mylar balloon is full saves costs that result from over inflation. Includes hand-tight connection and cylinder contents gauge.**
